IN THE TITLE:

Please amend the title to read as follows:

--CONTROL APPARATUS USING SPEECH--.

IN THE SPECIFICATION:

Please substitute the paragraph beginning at page 14, line 11 and ending at page 15, line 4. A marked-up copy of this paragraph, showing the changes made thereto, is attached.

--In this example, the script interpreter 347 is an ECMAScript interpreter (where ECMA stands for European Computer Manufacturer's Association and ECMAScript is a non-proprietary standardised version of Netscape's JAVAScript and Microsoft's Jscript). A CD-ROM and printed copies of the current ECMA-290 ECMAScript components specification can be obtained from ECMA 114 Rue du Rhone CH-1204, Geneva, Switzerland. A free interpreter for ECMAScript is available from http://home.worldcom.ch/jmlugrin/fesi. As another possibility the dialog manager 340 may be run as an applet inside a web browser such as Internet Explorer 5 enabling use of the browser's own ECMAScript Interpreter. The dialog manager 340 also communicates with a client module 343 which communicates with an audio module 344 coupled to the audio device 5 and with a server module 345.--.

Please substitute the paragraph beginning at page 37, line 1 ending at line 11. A marked-up copy of this paragraph, showing the changes made thereto, is attached.
